**SUMMER MUSIC CAMP - CODE OF CONDUCT FORM**

REQUIRED AT REGISTRATION

Dear USYO Music Camper and Parent/Guardian:

Union Symphony Youth Orchestra is pleased to invite you as a member and as a summer music camp participant. USYO is committed to attracting talented and dedicated young musicians and to providing them with a comprehensive and meaningful music camp experience.

We are confident that you exemplify the personal characteristics that are sought from each camper. These characteristics will ensure a positive and respectful camp experience for all participants.

The USYO Membership Handbook and Summer Camp Handbook, found at [usyo.org/membership](http://usyo.org/membership) has been provided to more clearly detail our policies and expectations. Our policies and expectations are designed for your protection, well-being, and musical growth. We assure that you will have adequate time for individual practice, recreation, and establishing positive relationships with your fellow campers, instructors, and staff.

We now ask you and your parent/guardian to acknowledge you have read our Handbooks. Please sign the acknowledgment below and bring it with you to registration. Your registration will not be complete until fully signed by both parties.

Should you have additional questions, please contact the Union Symphony Youth Orchestra office at 704-283-2525.
